PAKISTAN
MEDICAL & DENTAL COUNCIL
G-10/4, MAUVE AREA
ISLAMABAD
Tel: (92 51) 9190000

NO.PF.1-President-Office/2025/ 72

Dated 12 December, 2025

The Rector,
Royal Metropolitan University,
Bishkek -Kyrgyzstan.

SUBJECT: STATUS OF ROYAL METROPOLITAN UNIVERSITY-KYRGYZSTAN.

Hope you are doing well!

With reference your email dated 2nd of December, 2025 on the subject cited above. It is informed that, under Section 18 of the PM&DC Act, 2022, passing the National Registration Examination (NRE) is mandatory with one year house job for foreign medical graduates in order to obtain full registration, after verification of their credentials from the respective foreign granting institutions.

2. Under Section 24 of the PM&DC Act, 2022, it is further provided that if the Council is satisfied that a person holding a qualification granted by an institution abroad possesses sufficient knowledge and skill to be registered as a practitioner, then, upon notification by the Federal Government, the Council shall register the qualification possessed by that person from the foreign institution after passing the NRE Examination.

3. The Council, on the recommendation of the Executive Committee, has resolved that the future accreditation policy for foreign graduates seeking eligibility to appear in the NRE Examination shall require recognition by the respective foreign regulatory authorities, in addition to accreditation of the institutions by the ECFMG. This policy aligns with international best practices, including those adopted for examinations in the United States, United Kingdom, Ireland, Canada, Australia, and New Zealand, and is intended to facilitate foreign medical graduates.

4. Based on the accreditation policy approved by the Council, the Royal Metropolitan University, Bishkek-Kyrgyzstan is included in the list of Medical Schools Eligible for 2026 (Pathways) of ECFMG. Accordingly, its graduates are eligible to appear in the NRE Examination conducted by the PM&DC, Islamabad. After passing the mandatory NRE, a license for house job shall be issued upon fulfillment of the requirements as defined in the Registration Regulations-2023 framed under PM&DC Act, 2022.

Best regards.
